## Index for Year 2003 Bulletins

This index was created to help readers find articles that appeared in the March, June, September, and December 2003 issues of the quarterly *Tax Information Bulletin*. All the articles are listed alphabetically by the article's title or subject matter.

Some of the articles may include information that is no longer current because of changes in the law or as the result of court decisions. If there is a conflict between an article and the law, the law is controlling.

You may obtain copies of listed bulletins by visiting our website at [www.boe.ca.gov](http://www.boe.ca.gov). Go to "Press Room" and click on "Tax Information Bulletins". Or call 800-400-7115. Please specify the bulletin issue date when ordering.
